Happy Chappy

Hi Central School Families!

Great to be back for this last term as your Chappy. I will be working on Monday and Tuesdays and am still based in the hall.

SUPA Club will continue during first break on Tuesdays in the Music Room. Remember that parent/guardian consent is required as there will be spiritual and religious content presented most weeks. This term we will talk about what it’s like to lose something or get lost ourselves. The focus is to reflect on God’s love for us and the different forms that can take. For example, that we have people who love and care for us, a home to live in, food to eat, teachers who educate and guide us, safety and so many more provisions in life. God’s love is also expressed in the beauty of nature which in abundant in Spring!

Recently I have made a good connection in the community which allows me to access food hampers for families going through a difficult time such as grief, sickness, financial struggles, job loss or a crisis of some kind. As your school chaplain, I can be a link to practical help and care in our community. I am also available for conversations of a private nature. If you would like to speak to me, please contact the school office, leave a message and I will return your call. I am available after school on Mondays and Tuesday’s as well. If you know a family who would appreciate a gift of a food hamper due to challenging circumstances, please don’t hesitate to make contact with me. You may also SMS me on 0429617989

Please be with you!
